Dear Troy,

I have identified your grandfather in our records. He migrated to Australia when he was of working age, 16 years, in November, 1926.

Please respond directly to this e-address for further information on your grandfather.

Best Wishes
Pat

Subject: Child Migration Information

To Whom It May Concern,

I am trying to track down information on the migration of my grand father, Walter Jeremiah Dack, from the UK to Australia in about 1922, 1923 or 1924.

Walter was born 05 JUN 1910 in Martham, England. Information from my father and his brother indicate that Walter emigrated to Australia when he was 13 as a Dr Barnardos boy. Please find attached a scanned copy of Walter's birth certificate.

If you have any information, or are able to provide any contact details of anyone able to assist further it would be greatly appreciated.

Regards,
Troy Dack.
